Day 3 of Week 9: Today,  
I had another argument  
with Erstam, that old  
crazy mage with a foul  
temper! I could never  
stand him, I never will.  
Who doth he think he is?  
Erstam and I are so  
different that we simply  
cannot work together.

Day 4 of Week 9: My  
precious Jawbone, I am so  
glad thou art mine, I use  
thee often and often  
again and still have no  
grounds to complain. What  
would I do without thee,  
tell me? Erstam, thou  
art not the only one who  
can travel through the  
Void!

Day 7 of Week 9: Thy  
magic telescope is merely  
another trick thou hadst  
divined when thou didst  
fear my powers. Useless  
piece of equipment for a  
crazy old mage. I am  
tired of thee. I  
understand why Drogeni  
never came back... Thou  
art looking for  
immortality and will end  
alone, Erstam! I,  
Silverpate, will prove thee  
wrong. I will discover the  
solution relevant to our  
matters.
